Solidarity Fund for the Church in Africa

While many Africans are growing in their faith, they still face the challenges of high rates of poverty and unemployment, illiteracy, and poor education. The Solidarity Fund for the Church in Africa supports essential pastoral projects across the continents that nourish the people of this young and vibrant Church. These projects include teaching catechism classes, building new churches, providing materials for schools, and offering formation to priests and religious. Please give generously to the Solidarity Fund for the Church in Africa, as we express solidarity with our African brothers and sisters and work for their spiritual and material development. The special collection will be next weekend.
